

Sandcastle Parking

The Cannon Beach Chamber of Commerce would like to welcome you to our annual Sandcastle Contest. Please use this parking guide to help you locate and safely park within Cannon Beach. If you should have any further questions please contact a local official who will be better informed about open spaces and rules to follow while enjoying our Sandcastle Contest.

Sandcastle Contest beach parking access is the 3rd exit on Hwy 101 from the north. Proceed on Warren Way to the Tolovana Wayside where you will be directed to the ramp and beach parking. Cars will need to be off the beach at 3:00pm before the high tides return. Listen to announcements as tides may require early departure from the beach.

Please observe these parking regulations:

- Sandcastle Contest Parking on the beach is a special permit for all people viewing the contest.
- RV parking is in designated areas only.
- All public parking in Cannon Beach is day use only (no overnighters).
- Some shops and restaurants provide parking for their customers only.
- No motor vehicles are allowed on the beach, except by special permit for disabled persons. Permits are available at City Hall.
- No parking and Tow-Away Zones are enforced

Beach Warning: The surf is unpredictable with rip tides and some deep spots close to shore. Sneaker waves can catch you unaware. Use caution and enjoy the beach and the contest.
